

SENDING SAMPLES

5/2021

Send the authentic samples of the bottles or cans to the addresses below and **delivered to the door**.

Please enclose the contact information of the sender: the name of the company, the contact person, the phone number and the email address.

Palpa approves the new packages to the return system twice a month, on the 15th and the last day of the month or the weekday preceding them.

The samples must be received by the recipients no later than two business days prior to the approval day.
